Cutshop[®] Confidentiality Undertaking

Updated September 2019

In consideration for the disclosure to me of certain confidential information regarding the company, I give the following undertakings with the understanding and intent that they will be relied on by the Company.

- 01** I will keep confidential all confidential information that is disclosed to me and I will not, without the prior written consent of the Company:
 - (a) Directly or indirectly permit disclosure of any of the **confidential information** to any person, **or**
 - (b) Use the **confidential information** in a way that is directly or indirectly in competition with the Company or assist any other person to use it in a way that is directly or indirectly in competition with the Company.
- 02** Without limiting the generality of the term **confidential information**, I acknowledge that the term is used in this undertaking to include all information disclosed directly or indirectly to me including all information contained in the Cutshop[®] Concept document.
- 03** I will, upon demand of the Company, return it or destroy (at the Company's option) all **confidential information** (including all copies or reproductions of the **confidential information**) in my possession or control together with all information and documentation containing, comprising or relating in any way to the **confidential information**.
